神戸市・西宮市の「西郷」「御影郷」「魚崎郷」「西宮郷」「今津郷」の5つの地域からなる灘五郷。2018年6月に酒類の地理的表示(GI)として国税庁長官の指定を受けました。定められた生産基準を満たした清酒のみが「GI 灘五郷」を名乗ることができ、「味わいの要素の調和がとれ、後味の切れの良い酒質」が特長です。

Nadagogo consists of five areas in Kobe and Nishinomiya. These areas are Nishi-Go, Mikage-Go, Uozaki-Go, Nishinomiya-Go, and Imazu-Go. In June 2018, they were designated by the Commissioner of the National Tax Agency JAPAN as Geographical Indications (GI) for sake products. Only those sake breweries that meet the specified production standards can call themselves GI Nadagogo, and their sake is characterized by a harmonious balance of flavor elements and a crisp aftertaste.
